THE USDA NATURAL RESOURCES CONSERVATION SERVICE (NRCS) IS YOUR LOCAL RESOURCE FOR INNOVATIVE CONSERVATION SOLUTIONS TO IMPROVE THE LAND AND PROTECT YOUR WAY OF LIFE.

Financial and technical assistance is now available through the **Environmental Quality Incentives Program (EQIP)** for producers interested in conserving energy on their property. The On-Farm ENERGY INITIATIVE assists producers in developing an agricultural energy management plan (energy audits). Producers may also receive assistance to implement the following energy efficiency measures:

- » Irrigation improvements
- » Farmstead energy improvements
- » Tillage management
- » Pumping plant improvements
- » And more...!

Contact your local field office to learn more about the On-Farm Energy Initiative.
